

Whizz-kidz
30 years of moving lives forward

Agnese Milito

My Story

I'm fundraising towards Whizz-Kidz' vital services for young wheelchair users. Please sponsor me and help Whizz Kidz create opportunities for young wheelchair users to get the equipment, skills, and confidence to go further in life. It's unacceptable that young wheelchair users face so many obstacles in their lives. From inaccessible spaces to negative attitudes, it's time to change the status-quo urgently. With your support, we can create a world where every young person can reach their full potential.

Donating through JustGiving is simple, fast and totally secure. Your details are safe with JustGiving - they'll never sell them on or send unwanted emails. Once you donate, they'll send your money directly to the charity. The more people that know about Whizz-Kidz, the greater the impact will be in helping more young wheelchair users become independent. Please spread the word by sharing my page far and wide, with your friends, friends, colleagues and as many people as you can reach.

Thankyou in advance for your support and generosity, it means a great deal!
